Summary

I am a B.Tech student studying Computer Engineering. I have a strong understanding and foundation in front-end web development. I enjoy building responsive and user-friendly websites. Skilled in HTML, CSS, and JavaScript with hands-on project experience. Created a Cake e-commerce site and personal portfolio. Looking to grow in a tech-driven team and learn more every day.

Skills

- **Languages:** HTML, CSS, JavaScript.
- **Frameworks / Libraries:** Bootstrap, Tailwind CSS, J-Query, React
- **Tools / Technologies:** VS Code, Git, Github.
